

HI USA INSPIRES A GREATER UNDERSTANDING OF PEOPLE, PLACES, AND CULTURES FOR A MORE TOLERANT WORLD

Stay

There's something magical about waking up in a different place. Away from our usual surroundings, we see the world in a new light. We're more open to new experiences. And these experiences, and the people we share them with, stay with us long after our journey ends. In HI USA hostels, you're more likely to meet someone from the other side of the

world than someone from your home town. You can connect with other travelers in our shared kitchens, dining rooms, and lounges while enjoying amenities like free breakfast, free Wi-Fi, and more. So whether you choose a dorm or a private room, you'll get so much more than just an affordable stay.

Connect

Travel is all about meeting new people and exploring different ways of life. That's why we create one-of-a-kind experiences that connect our travelers with the local community. From neighborhood walking tours, to pub crawls, to internationally themed dinners, we offer thoughtful, fun opportunities to immerse yourself in new cities and cultures.

Make a difference

HI USA is a nonprofit organization that empowers travelers to begin their next journey. From our educational classes and scholarships for first-time travelers, to cultural exchange programs for youth in our hostels, volunteer with us, or donate to our scholarship fund, you help us make these experiences making travel more accessible to all.
